CONTINUED**

On June 20, 2023, the City Board of Directors passed an ordinance regulating Short-Term Rentals within the City of Little Rock. The new ordinance establishes “development standards” for Short-Term Rentals. If approved, the applicant must comply with the newly established development standards as follows, in addition to all other requirements of the new ordinance.

All trash pick-up shall comply with requirements for residential one (1)–and two (2)-family residential zones.

The applicant provided responses and additional information to all issues raised during staff’s review of the application. The applicant is requesting no variances with the PD-C zoning request.

Staff is in support the requested PD-C rezoning. Staff believes the request is reasonable and that the proposed STR-2 use is appropriate for this location.

Currently, Planning & Development has thirty (30) Short-Term Rentals (STR-1 and STR-2) listed within the database for approved Short-Term Rentals in the City of Little Rock. The City’s new Short-Term Rental Ordinance allows a maximum 500 Short-Term Rentals within the corporate boundary of the City of Little Rock.

The Planning Commission reviewed this request at their November 9, 2023, meeting and there were four (4) objectors present. All owners of property located within 300 feet of the site, as well all Neighborhood Associations registered within the City of Little Rock, were notified. Please see the attached Planning Commission minutes for Staff’s Analysis and the Commission’s action.
