The current zoning is R4 and the Future Land Use Map is showing Residential Low Density (RL).

The subject structure is a part of a seven (7) building development located on three (3) separate parcels comprised of lots 10, 11 and 12, Block 27, Weldon E. Wright's Addition. The overall property is 0.57-acre in size. The applicant is requesting a PD-C zoning for each of the structures individually, to allow each structure to be a separate STR-2.

The overall project will include one (1) driveway from Charles Bussey Avenue and one (1) driveway from Chester Street. The drives will lead to a shared parking area within the southwest quarter of the overall site. The applicant is proposing twelve (12) on-site parking spaces to serve the seven (7) Short-Term Rentals. The drives and parking will be bordered gravel areas. Additionally, on-street parking is allowed along Charles Bussey Avenue. Staff believes the proposed parking plan will be sufficient to serve the group of Short-Term Rentals.

On June 20, 2023, the City Board of Directors passed an ordinance regulating Short-Term Rentals within the City of Little Rock. The new ordinance establishes "development standards" for Short-Term Rentals. If approved, the applicant must comply with the newly established development standards as follows, in addition to all other requirements of the new ordinance.

All trash pick-up shall comply with requirements for residential one (1)-and two (2)-family residential zones.

The applicant provided responses and additional information to all issues raised during staff's review of the application. The applicant is requesting no variances with the PD-C zoning request.

Staff is in support the requested PD-C rezoning. Staff believes the request is reasonable and that the proposed STR-2 use is appropriate for this location.

Currently, Planning & Development has thirty (30) Short-Term Rentals (STR-1 and STR-2) listed within the database for approved Short-Term Rentals in the City of Little Rock. The City's new Short-Term Rental Ordinance allows a maximum 500 Short-Term Rentals within the corporate boundary of the City of Little Rock.
