Resolution No. 15,763 (September 6, 2022) approved a contract with Fusus, LLC, to purchase the FususONE Software Management System. The request to amend the contract is due to the inclusion of twenty (20) additional Core Light Appliances and twenty (20) Core Pro Appliances. The original term of the service agreement was for one (1)-year, with two (2) additional one (1)-year terms. This will authorize the first additional one (1)-year term.
