

**OFFICE OF THE CITY MANAGER
LITTLE ROCK, ARKANSAS**

**BOARD OF DIRECTORS COMMUNICATION
OCTOBER 2, 2024, AGENDA**

Subject: Resolution to authorize towing service contracts with six (6) wrecker companies. Submitted By: Fleet Services Department	Action Required: Ordinance √ Resolution	Approved By: Emily Cox Acting City Manager
SYNOPSIS	The Resolution authorizes the City Manager to enter into contracts with each wrecker service company that responded successfully to the City’s Request for Qualifications.	
FISCAL IMPACT	The City charges a contract fee of 15% of all gross revenue collected pursuant to each non-consent towing service contract.	
RECOMMENDATION	Approval of the resolution.	
BACKGROUND	In response to the City’s Request for Qualifications for inclusion in the Little Rock Communications non-consent towing rotation, six companies submitted qualifications packets that met all of the City’s requirements: Adams Towing, Asher Wrecker Service, East End Towing, Towco Investments (d/b/a JHook Towing and Recovery), Metro Towing & Recovery, and Pinnacle Towing & Recovery (d/b/a Routh Wrecker Service). As provided in the RFQ, the term of each of these contracts may be renewed two (2) times in one (1)-year increments if the City and the respective towing company agrees. The city added language and a category for towing both city owned and non-city owned vehicles that exceed 100,000 pounds in capacity. The language adds a Class E category
