SYNOPSIS	A resolution to authorize the City Manager to enter into a contract with Dell Technologies in an amount not to exceed \$66,826.55, to upgrade desktops and laptops for the Little Rock Police Department.	
FISCAL IMPACT	The total cost is \$66,826.55, plus applicable taxes and fees. Funds will be paid from JAG 23 funds 270529-60200-G52DF23A.	
RECOMMENDATION	Approval of the resolution.	
BACKGROUND	Periodically replacing aging computers at the Little Rock Police Department is essential for maintaining operational efficiency and ensuring the reliability of critical systems. As technology evolves, older computers struggle to keep up with the demands of modern software and applications, leading to slower response times, frequent crashes, and compatibility issues. Upgrading to newer systems allows officers and staff to access cutting-edge tools for data analysis, communication, and case management, reducing downtime and enabling quicker decision-making.
