**BACKGROUND
CONTINUED**

The reversionary rights will extend to the owner of Lot 8, Block 9, Newton's Addition for this portion of the east half of the right-of-way.

There are no Master Street Plan issues, as the right-of-way is not classified as a collector street or higher. Abandoning this small portion of Polk Street right-of-way will have no adverse impact on the public welfare and safety. The Little Rock Fire Department has expressed no objection to the abandonment request.

The Planning Commission reviewed this request at their October 14, 2021, meeting and there were no objectors present. All owners of property located within 200 feet of the site, as well as Neighborhood Associations registered with the City of Little Rock, were notified of the public hearing, and there have been no comments received. Please see the attached Planning Commission minute record for the complete staff analysis.
