<b>SYNOPSIS</b>	<p>A Sole-source ordinance authorizing the City Manager to enter into a one (1)-year Maintenance and Equipment Upgrade Agreement for the City’s Outdoor Warning Siren System with Safetycom at a cost of \$60,830.00, plus applicable taxes and fees.</p>	
<b>FISCAL IMPACT</b>	<p>Funds for this purchase are available in City of Little Rock Emergency Management General Budget Account No. 101007-63390.</p>	
<b>RECOMMENDATION</b>	<p>Approval of the sole-source ordinance.</p>	
<b>BACKGROUND</b>	<p>The Little Rock City Manager’s Office/Emergency Management Division is committed to the maintenance and operation of the Little Rock Outdoor Warning Siren System. In order to accomplish this goal, the Emergency Management Division proposes the purchase of one annual maintenance agreement, and various parts for overall maintenance of the siren system. Safetycom is the original manufacturer and builder of the outdoor warning siren system, and the sole provider of this service. Safetycom was the lowest responsible and responsive bidder for Solicitation #03287 in 2004. Since the initial award post-solicitation, Safetycom provided buildout of the overall system and on-call repair of the outdoor warning sirens.</p>
