<p>BACKGROUND</p>	<p>For a number of years various neighborhood groups, the Community Housing Advisory Board and the Little Rock Land Bank Commission have studied ways to improve neighborhood quality through the acquisition, purchase, and conveyance of underutilized properties.</p> <p>The City has studied numerous methods to assemble and convey property that may pose an environmental or adverse impact to Little Rock neighborhoods. Conveying underutilized parcels of property held by the City’s Land Bank for development is an efficient and cost effective means of reaching the City’s revitalization goals.</p>
