<b>SYNOPSIS</b>	The request is a rezoning from R-2, Single-Family District, to PD-R, Planned Development - Residential, to allow for the existing vacant apartment complex to be remodeled.
<b>FISCAL IMPACT</b>	None.
<b>RECOMMENDATION</b>	Staff recommends approval of the requested PD-R zoning. The Planning Commission voted to recommend approval of the PD-R zoning by a vote of 11 ayes, 0 nays and 0 absent.
<b>BACKGROUND</b>	The apartments were constructed in 1972 and were located outside the City limits of Little Rock. There are three (3) buildings located on the site containing sixty-four (64) units and areas of paving very much in disrepair. Presently the parking stalls back into the street right of way along Herrick Lane. The applicant bought the property from the bank and felt with the purchase the property would be “grandfathered” as a multi-family development. The site was vacated by code enforcement a number of year ago. According to Entergy records power to the office and the units were disconnected from September 2012 through February 2013. Once the site sat unoccupied for a period of six (6) months the property lost any non-conforming status.
