Moore City Manager</p>
SYNOPSIS	<p>This resolution grants an easement to Texas Eastern Transmission, LP, to locate where the natural gas transmission line will cross the Arkansas River.</p>	
FISCAL IMPACT	<p>None.</p>	
RECOMMENDATION	<p>Approval of the resolution.</p>	
BACKGROUND	<p>Since at least 1947, and it is believed before that period of time, the Federal Government has allowed Texas Eastern Transmission, LP, to run a natural gas line to the east coast including on property located within the City of Little Rock. It is now necessary for Texas Eastern to relocate where this line crosses the Arkansas River. This easement permits that relocation. Please note that the company is willing to abide by the City utility relocation policy should that ever become a factor.</p>
