**BACKGROUND
CONTINUED**

The site is located in an area of mixed uses and zoning along Baseline Road. Commercial uses and zoning (C-3) are located east and west of the existing commercial buildings. A mobile home park (R-2) is located along the remainder of the east property boundary. Three (3) single-family structures (R-2) are located across Elrod Drive to the west, and a large commercial development is also located to the west. A commercial parking lot and a cell tower site is located to the north. A multifamily development and mixed commercial uses are located to the south, along the south side of Baseline Road.

The City's Future Land Use Plan designates this property as C, Commercial, and the requested C-3 zoning will not require a plan amendment.

The Planning Commission reviewed this request at their March 11, 2021, meeting and there were no objectors present. All owners of property located within 200 feet of the site, as well as all neighborhood associations registered with the City of Little Rock, were notified of the public hearing. Please see the attached Planning Commission minute record for the complete staff analysis.
