<b>BACKGROUND</b>	<p>The Rose Creek Neighborhood has supported development of a park for many years. Currently this support has led to the construction of a small trail section and plaza with future plans of extension. The funds were donated by the neighborhood to support the engineering design of trail plans. Throughout the year, the neighborhood holds several special park events and has provided volunteer help, which assisted with the development of the existing area known as Rose Creek Park. This area is maintained by Parks Maintenance Staff and is utilized for general public use.</p> <p>The Park Commission has approved the naming of Rose Creek Park and the current Parks Master Plan supports Greenways and Trail Expansion in order to join segments of existing trails and overall connectivity.</p>
