RE: Variance Application for 50 Edgehill DR., Little Rock, AR

Dear Mr. Price,

On behalf of our client, we are requesting a variance to allow construction of an approximately 12' tall retaining wall at the rear of the property and 4' to 6' retaining wall at the front to provide screening from the streets surrounding the property.

We are asking to be placed on the November 2024 Board of Adjustments hearing.

Please feel free to contact me with any questions or concerns or if I can be of any further assistance.

Sincerely,

Jonathan Hope
