

LITTLE ROCK MICRO HOME VILLAGE

**3405 W. ROOSEVELT RD
LITTLE ROCK AR**

2.39 ACRES

LITTLEROCK.GOV

The Concept

The Little Rock Micro Home Village will provide temporary shelter to homeless individuals and families. This is one of the Mayor Frank Scott Jr. initiatives of getting too Functional Zero. This innovative strategy of developing more transitional housing and an emergency shelter to house a maximum of 220 individuals on any given night. Thus, providing unsheltered individual & families a shelter. There will be a community center onsite which serves a hub and provides a community space for these individuals and families to access case management, supportive, and wrap around services

COMMUNITY CENTER

- Emergency Shelter – 32 beds; 16 men & 16 women
- Showers and Bathrooms
- Laundry facility
- Case Managers Offices–
- Manager Office onsite
- Training Room
- Commercial Kitchen & Dining Hall
- Security 24/7
- Intake
- C – Store
- Medical Clinic on site

Non Congregated Units

- 80 Units; 50 - 1 bed units, 22 – 2 bed units, 8 – 3 bed units
- Full Bathrooms with toilet and shower
- Kitchenette area in 3 bed units
- Heat and Air in each of the units
- Each unit has keyed entry
- 10 units will be ADA accessible Level 1
- Access to Animal Kennels & Dog runs
