

BETTER BUILDINGS. LOWER COSTS. BETTER EXPERIENCES.

*Commercial Property Assessed Capital
Expenditure (C-PACE) Financing for Hospitality
in Arkansas*

Arkansas PACE Improvement
District

ARK-PACE

a project of

The grant-funded Arkansas C-PACE program helps businesses save by funding energy efficiency, renewable energy, water conservation, and resiliency upgrades with long-term, fixed-rate financing. Business owners enjoy the benefits of lower operating costs while guests enjoy improved experiences. Win-win.

WHY C-PACE?

- No upfront costs
- Up to 100% financing
- Long payback (up to 30 years)
- Preserve working capital
- Attached to property, not owner
- Can transfer upon sale of the property
- Repaid through line item on property tax

ELIGIBLE PROJECTS:

Kitchen Ventilation

Refrigeration and
Walk-In Coolers

Water Heating and
Efficiency

Solar, Battery
Storage, Generators

HVAC Upgrades

*Funding available and actively seeking qualifying
projects in the Central Arkansas area.*
