Submitted By: Little Rock Police Department		Delphone Hubbard City Manager

SYNOPSIS	A resolution to authorize the City Manager to enter into a contract with Speartec Solutions, LLC, for the purchase of 30 rifle mounted B.E. Meyers & Co. MAWL-C1+ IR/Visible Laser Illuminator Aiming Systems for use by Little Rock Police Department's SWAT Team.
FISCAL IMPACT	The total amount is not to exceed $106,470.00, plus applicable taxes and fees. Funds for this purchase are allocated in Little Rock Police Department Software Account No. 108529-60170-S52C637.
RECOMMENDATION	Adopt the Resolution.
BACKGROUND	The rifle mounted AN/PEQ-15 infrared laser illuminator aiming systems currently utilized by LRPD's SWAT Team acquired 20 years ago from the former Defense Reutilization and Marketing Office have exceeded their useful service life. Additionally repair and replacement is no longer feasible as the manufacturer ceased production of replacement components making restoration impossible. Thus, there is need for LRD to purchase replacement equipment. Vendor selection of Speartec Solutions, LLC to provide rifle mounted B.E. Meyers & Co. MAWL-C1+ IR/Visible Laser Illuminator Aiming Systems was made utilizing cooperative purchasing contract issued by The Interlocal Purchasing System (TIPS) Contract No. 240102 for Emergency Responder Supplies, Equipment, and Services.
