RECOMMENDATION	Adopt the resolution.	
BACKGROUND	There are currently three (3) open and active agreements between the City and Safety Solutions: (1) an agreement authorized by Little Rock, Ark., Resolution 16,417 (September 3, 2024) for Phase II of the replacement and installation security cameras at various City facilities; (2) an agreement to install cameras for the Little Rock Police Department Special Operations Division; and (3) an agreement authorized by Little Rock, Ark., Resolution 16,899 (December 16, 2025) for field service management of the Motorola Avigilon Video surveillance system.	

**BACKGROUND
CONTINUED**

There is a provision in each of these agreements that in the event of the assignment of Safety Solutions to another entity. Prior written consent of the City is required. The City has received notice that APSS, LLC will acquire substantially all of the assets of Safety Solutions, and seeks the City's prior, written consent to the assignment.

This assignment is due to corporate restructuring and will have no impact upon the City.

If the assignment is consented to, it is also necessary to amend the Resolutions to reflect that the City has entered into agreements with APSS, LLC.
