Landfill Unit 11H020 Vermeer 8000 Grinder Repair	Ordinance √ **Resolution**	
Submitted By: Fleet Services Department		Delphone Hubbard City Manager

SYNOPSIS	A Resolution to authorize the City Manager to enter into a contract with Vermeer Midsouth, INC., to repair the Vermeer 8000 Grinder at the City of Little Rock Landfill.
FISCAL IMPACT	The total cost of this repair is $79,436.22 plus applicable taxes and fees. Funds for this purchase are allocated in Fleet Maintenance Account # 600036-63315.
RECOMMENDATION	Adopt the Resolution.
BACKGROUND	Vendor Vermeer Mid-South, INC., was selected as the OEM vendor for parts and labor in our market for this equipment. Use of any outside vendor would not have subsequent warranty on parts and labor for this grinding machine. Due to these reasons, we would like to use Competitive Exemption form option #30 for repairs of this equipment.
