Subject: Axis Public Safety Cameras and Components Purchase from Genesis Datacom, LLC Submitted By: Little Rock Police Department	Action Required: Ordinance √ Resolution	Approved By: Delphone Hubbard City Manager
SYNOPSIS	A resolution to authorize the City Manager to enter into a contract with Genesis Datacom, LLC for the purchase of additional Axis PTZ long-range public safety cameras, Cradlepoint Modems, antennas, mounting equipment and cables, to expand network coverage, and upgrade or refurbish camera units in LRPD's existing Public Safety Camera network.	
FISCAL IMPACT	The total amount is not to exceed \$121,614.00. Funding for this purchase is allocated in JAG 23 grant funds in the amount of \$70,860.74 from Account No. 270529-G52DF23A with the additional \$50,753.26 allocated in LRPD General Funds Account No. 105201-61350	
RECOMMENDATION	Adopt the Resolution.	
BACKGROUND	Vendor selection of Genesis Datacom to fulfill the purchase of public safety cameras and components was made utilizing State Contract No. SP-21-0047. LRPD's Real-Time Crime Center Unit manages the City's Public Safety Camera Network System. This system is designed to enhance public safety by deploying camera assets in areas where additional resources are needed to address criminal activity and other public safety concerns. Several units currently in service were purchased as early as 2012 and need refurbishment. Additional units are needed to expand the network and support the increasing number of requests from community members, investigative units, and other city departments.
